Dennis Schröter:

Saturday was really good, I was happy with my bike and my riding. I qualified 6th. only 0.5 sec behind 2. and also Sunday's warm-up was going well. In the first moto I was simply too slow and couldn't benefit from a reasonable start. Second moto I rode well for about 20 minutes, but then just lost it and dropped back to 12th. In the championship I'm 9th only a few points behind 6th so that's still ok.

Michael Kaussen:

I didn't qualify directly from timed practice by 1 second so I had to do the LCQ. I was 7th. for most of the race (top 6 make into Sunday's programme) but couldn't get past. I was second reserve then and hoping I could ride the second moto, but unfortunately that wasn't to be.
