## Lars Oldekamp:

*Timed practice went ok, but I knew I could do better.*

*I had a brilliant first start with my 250 and was second for about 3 laps. I lost 2 positions but was looking forward to finishing 4<sup>th</sup> when a lapped rider took me out on the last lap, allowing Angus to go by.*

*I never found my rhythm in the second heat, the harder I tried, the worse it became. After my crash with Tonkov I had it and pulled out.*
