Dennis Schröter:

When I walked the track in the morning, I already had my doubts. The tight track through the trees with rocks and roots isn't really my favourite, still my goal was a podium finish for sure.

Unfortunately early in the race Musquin struggled on an uphill right in front of me and lost control of his BMW. He buried me under his bike and I already lost a lot of time in this incident. On top of that I was in a lot of pain from my shoulder and my foot afterwards and 6th. overall was all I could do.
